**TRADE
GLASS
DEPOT**

Trade Glass Depot offers Australia's largest complete solution for premium quality frameless glass balustrades. Leading installation companies source from Trade Glass Depot because our products are easy to install, they meet very strict quality control criteria, and because we've got the right product at the right price - in stock for you when you need it.

SPIGOTS PREMIUM

Our Premium Range of 316 marine grade stainless steel spigots is CNC-machined from solid billet. They're available in round profile for core drilled and base plated applications.

HANDRAIL BRACKETS

We stock handrail brackets to suit 50x10mm rail, all manufactured from premium quality 316 marine grade stainless steel.

SPIGOTS VALUE

Our Value Range of 316 marine grade stainless steel spigots is manufactured by more cost-effective investment casting. We stock them in round and square profiles for core drilled and base plated installations.

HANDRAIL

Stunning welded mirror finish stainless steel tube in 316 marine grade available in 6m lengths in a complete, no-fabrication, modular product.

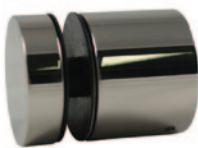

BALUSTRADE GLASS

Top quality Grade A Toughened Safety Glass, all heat soaked to European Standard EN14179, available in 50mm increments from 500-1500mm with hand rail bracket holes. For use with our range of friction plate spigots.

FIXINGS & CONSUMABLES

A large range of fixings - available to suit our entire range, and suitable for all substrates.

STANDOFF PINS

We stock a full range of 38mm & 50mm standoff pins, with fixings to match all substrates.

ACCESSORIES

A complete range of installation consumables and accessories: core drill bits, fixings, grouts, glazing silicon, etc... Available to complement our entire range of pool fencing and balustrade solutions.
